

HOTHAM MISSION AT WORK: Food for Thought

Hotham Mission deeply appreciates the support of all who have made it possible to respond to the real and growing demand for food support.

In the week ending 21 August, Hotham Mission received a generous donation from Life Church, as shown in the photo.

This donation helped Hotham Mission to provide over 100 food bags to local schools, homeless support agencies, asylum seeker support agencies and local church agencies this week.

In addition, thanks to the donation from RACV, a total of 220 ready to eat meals were provided to homeless support agencies this week. RACV Resort and Club kitchens are working to prepare and package meals for those in need. Hotham Mission was featured in a news report on ABC 7pm News on 27 July on the RACV program.

Hotham Mission is part of the Uniting Church Congregation of Mark the Evangelist, North Melbourne, and is supported by several ecumenical partners: Christ Church, Kensington; the West Melbourne Baptist Church; and the Anglican parishes of St Mary's, North Melbourne and St George's, Travancore.
