## Keep safety checks updated: Does Santa have his WWCC/VP card?

The festive season is quickly coming upon us, and soon enough it will be time for Christmas parties, carol events, fetes, nativity plays, and all the other ways we celebrate during advent.

With all this in mind please remember that we will have an influx of visitors into our spaces, including children.

Now is the time to make sure any extra volunteers who will be helping at these events are up to date with their WWCC/VP cards and child safe training ready for the festive season to kick off in a few weeks.

This includes Santa and any of his elves that might be visiting your events to see the kids. It would also be timely to ensure your safe church contacts details are visible and up to date should any visitors need to raise any concerns.

Let's be prepared to have a safe festive season.

## Theology and Culture Conference: Gendered Violence

How do religion, theology, and culture contribute to—or help combat—gendered violence? Join *The Wesley Centre*'s inaugural interdisciplinary conference to investigate the intersections of theology, biblical interpretation, culture, sexism, colonialism, and justice. Together, we'll ask hard questions about gendered violence and explore resources for healing, inclusion, and change.

**Date: Wed 11<sup>th</sup> February to Friday 13<sup>th</sup> February 2026.**

For more information about keynote speakers, accommodation options, and other conference details please see [www.thewesleycentre.org](http://www.thewesleycentre.org)

## President's Conference Tonga

Those that attended the recent President's Conference in Tonga have said it was an inspiring, spirit-filled Conference, from the joyful voices of the Si'atoutai Theological College choir to the inspiring words of Her Royal Highness Princess Salote Mafile'o Pilolevu Tuita on the first day of the conference to the worship services across Tongatapu - at Saione Centenary Church, Sia'atoutai Theological College, Moulton Chapel Toloa, and the Free Wesleyan Churches in Kolonga - where delegates experienced the beauty of shared faith, inclusion and Christ's love.

*"It was an amazing experience, very informative, empowering and encouraging."*

Mafi Pole who the Presbytery of Yarra Yarra supported to attend the President's Conference in Tonga enjoyed the experience immensely. Mafi said it was an amazing experience, very informative, empowering and encouraging.

I wonder ...

## Young Voices (Youth Council) Co-Design Workshop

On October 5, three youth and young adults from Living Faith Church, as well as others from Yarra Yarra Presbytery, attended a youth council codesign workshop at SCOTS in Heidelberg.

The workshop was a positive experience where participants enjoyed open sharing of ideas and excitement for a youth council.

The opportunity for learning about church structure was valued and there was a keen sense that those involved could make a difference.

All the youth who attended wanted to be a part of the council idea which has been renamed YASC – Yarra/Youth Advisory Strategy Committee. The group enjoyed the possibility that YASC can at once mean:

Yarra Advisory Strategy Committee

Youth Advisory Strategy Committee

Young Adults Strategy Committee

The flexible multi meaning name, YASC, said “why ask”, reflected a common theme and desire of the group to be fluid and adaptable in practical considerations such as capacity, structure and content.

For example, participants discussed the benefits of a core group of regular committed committee members but also wanted the YASC to be open to other youth who wished to contribute occasionally when time, topic or location allowed.

Similarly, it was agreed that YASC would meet monthly, but that the frequency of meetings although based on a monthly expectation would change depending on content, capacity and consensus.

One youth noted, “If it is life giving, we want more meetings.”

The inaugural YASC is scheduled for November 30.
