UnitingWorld's current projects and explore how we might build on our own aspirations for international mission and partnership within our congregations.

There will be some minor business for the Presbytery members to deal with but all are welcome to attend the UnitingWorld presentation.

If you are interested in attending for Antony's presentation please contact the Presbytery Secretary on pvy.secretary@victas.uca.org.au and a link to register can be sent out. Meetings starts at **7:30pm**.

UnitingWorld stall

In the lead-up to Christmas, Uniting Church congregations and faith communities across Australia can host stalls to promote poverty-fighting gifts from UnitingWorld's [Everything in Common](https://donate.unitingworld.org.au/everythingincommon) catalogue. (<https://donate.unitingworld.org.au/everythingincommon>)

Host a gift stall in your church, school or community group. Start important conversations about global poverty. Promote waste-free, sustainable gift alternatives. Fight poverty and build hope!

Teachers Exploring Chaplaincy or Spiritual Care?

eLM's Chaplaincy and Connections Team is testing whether some teachers might want to step toward chaplaincy or spiritual care (often hybrid roles), and what support they'd need. This is a 'listening first' activity with no pressure to participate beyond providing some feedback.

Know a teacher who might have some views on this? Two ways to participate:

Safe Church – WWCC Applications

The Department of Government Services Victoria has recently introduced changes to the Working with Children Check applications and renewals. The Culture of Safety Unit have reached out to all the Safe Church Contact People and Working with Children (WWCC) Administrators regarding these changes. If your congregation does not currently have a Safe Church representative the details of these changes are provided here.

New Requirement – Organisation Email Address

When applying for or renewing a WWCC, applicants are **now required to include an organisation email address**. To ensure consistency and proper handling of notifications, please use our dedicated email: wwccr@victas.uca.org.au This email receives all WWCC and Victorian Institute of Teaching (VIT) notifications, helping us avoid misdirected communications across the Synod.

Guidance and Resources

For detailed instructions on completing the organisation section and the overall WWCC process, please refer to the “Getting a WWCC Checklist” available on the Safe church website via the following link:

 [Getting a WWCC-checklist.docx](#)

A copy of this checklist is also attached to the email.

Updating Contact Roles

To update your congregations Safe Church Contact Person or WWCC Administrator for please let the Culture of Safety Unit know by contacting them at cultureofsafetycontact@victas.uca.org.au so they can update their records accordingly.
