## Farewell Ann!

With much sadness, the Presbytery Team gives heartfelt thanks for Ann Williamson as she concludes her time with us at the end of January. Ann commenced in May 2023, offering her gifts in administration, hospitality and support to help strengthen the work and ministry of the Presbytery in her role as Office Manager and Presbytery Secretary. The team and Presbytery committees will miss Ann's presence with us, and all the ways she worked to support us are deeply appreciated.

Bless you, Ann. Thank you for your friendship and for all you have done in your time with PYY. We look forward to all that God has for you in the next chapter.

The Presbytery is currently recruiting a new Office Manager to join the team.

From 27 January, please direct any **email** for the **Office Manager** to  
[ppy.office@victas.uca.org.au](mailto:ppy.office@victas.uca.org.au).

And please direct any **email** for the **Presbytery Secretary** to  
[ppy.secretary@victas.uca.org.au](mailto:ppy.secretary@victas.uca.org.au).

These will be monitored by the Presbytery team in the meantime.

## **Synod Emissions Reduction Fund (SERF)**

### **Funds to assist your congregation or Faith Community reduce emissions**

In 2024, a Synod Emissions Reduction Fund was made available by the Synod of Victoria and Tasmania and many congregations applied and were granted funding to assist with their work in reducing their emissions. There is now a further opportunity for congregations and faith communities to apply for another round of funding. So, your congregation or faith community is invited to make an application to this fund, in order to assist your congregation's work towards reaching zero emissions.

Application close **5 pm February 28<sup>th</sup> 2026**. For the application form go to <https://justact.org.au/wp-content/uploads/2025/11/APPLICATION-FOR-FUNDING-FROM-THE-SYNOD-EMISSIONS-REDUCTION-FUND.docx>

No application will be funded more than \$10 000. We aim to inform congregations and faith communities the outcome of their applications by the end of March 2026.

Questions about the application can be asked of the SERF Administration Team members:
